

S. Ganeshanathan (Chairman at Amagi Group)

Vision:

We aspire to offer an extraordinary dining experience with premium seafood products, while ensuring fair returns for fishermen and seafood farmers.

Mission:

Our mission is to achieve maximum customer satisfaction by consistently pursuing product excellence and sourcing sustainable seafood, fostering strong relationships within our supply chain stakeholders.

Achievements:

- 2005: Secured our inaugural ISO 22000 certification.
- 2010: Recognized with the Presidential Award for Best Seafood Exporter in 2009.
- 2019: Received the Browns Award from the National Chamber of Export (NCE) in the Fish and Fishery Products category.
- 2019: Accredited with ISO 22000:2018 certification.

About Us

Our journey commenced in 2000 as Amagi Export, dedicated to delivering top-quality seafood products to global consumers. In 2017, we evolved into Amagi Food Supply Private Limited, expanding our product range to serve both international and local markets.

With 24 years of expertise, we began in a modest 1000 square feet processing center and have since transformed into a cutting-edge seafood processing factory spanning 45,000 square feet, adhering to ISO 22000:2018 standards. Our factory sets the benchmark of excellence for both local & International.
